

**CALIFORNIA ASSOCIATION OF TOXICOLOGISTS
STUDENT MEMBERSHIP APPLICATION**

STUDENT MEMBER

A person who meets the qualifications below may become a Student Member:

1. The Student membership level is a temporary status that exists for individuals who are enrolled in toxicology or toxicology related undergraduate or graduate programs. Student membership status may be maintained as long as the Student member is enrolled full time in a program leading to a toxicology related degree. Each Student member must certify eligibility annually.
2. Student members pay reduced membership fees and do not have voting privileges.
3. Applicant must provide one (1) letter of reference from his/her academic advisor.

Date of Application _____

FAX: _____

Academic institution _____ Department: _____ E-Mail _____

Major/Degree _____ Major advisor _____

For Student Member applicants:

I certify that I am a full- or part-time student at an accredited academic institution, enrolled in an undergraduate or graduate-level toxicology or toxicology-related program leading to a toxicology-related degree.

I agree to abide by the objectives and the purposes of the California Association of Toxicologists as outlined in the By-Laws, namely:

1. The mutual exchange of information within the field of toxicology and the discussion of professional problems of common interest.
2. To improve the practice, elevate the standards, and advance the cause of toxicology.
